“I’ve done everything wrong, Finn. From day one. It was the only way I knew how to be with you and still be worthy of you. But I see now that I never really was.” --Callan

Vengeance. It’s the one thing on ex-cop Rhys Tellar’s mind and he’s spent every day of his two year prison sentence planning how he’ll bring down the former lover and partner who sold him out and cost four people their lives. A six month parole stint working at the CB Bar Ranch in Southwestern Montana should be the easiest thing he’s ever done. But the last thing he expects is to feel something for both the charismatic ranch hand who befriends him and the enigmatic foreman who’s pretending to be something he’s not.

A future. That’s what Finn Stewart wants, but to have it he must leave behind the man he wants above all others, his very straight boss and best friend, Callan Bale. As the only openly gay man in a small, homophobic community, Finn has to fight every day to be who he is and walking away is starting to seem like the easier path. Until Rhys Tellar shows up and changes everything.

A Lie. Callan Bale’s entire life has been about hiding the man he really is and it’s about to cost him the one person who’s managed to worm his way past the walls he’s spent years putting up. But choosing Finn would mean giving up everything he’s worked for and breaking the promises he’s made. At least losing the younger man to Rhys means Finn can have the life he deserves.

Three men. Three choices. One chance at finding home.
