Seventeen-year-old Ana is a scoundrel by nurture and an outlaw by nature. Found as a child drifting through space with a sentient android called D09, Ana was saved by a fearsome space captain and the grizzled crew she now calls family. But D09â€™one of the last remaining illegal Metalsâ€™ has been glitching, and Ana will stop at nothing to find a way to fix him.

Anaâ€™s desperate effort to save D09 leads her on a quest to steal the coordinates to a lost ship that could offer all the answers. But at the last moment, a spoiled Ironblood boy beats Ana to her prize. He has his own reasons for taking the coordinates, and he doesnâ€™t care what heâ€™ll sacrifice to keep them.

When everything goes wrong, she and the Ironblood end up as fugitives on the run. Now their entire kingdom is after themâ€™and the coordinatesâ€™and not everyone wants them captured alive.

What they find in a lost corner of the universe will change all their livesâ€™and unearth dangerous secrets. But when a darkness from Anaâ€™s past returns, she must face an impossible choice: does she protect a kingdom that wants her dead or save the Metal boy she loves?
